The Graphic Organizer and schedule came home in Wednesday folders. Students need to keep this somewhere safe and highlight when their presentation is. They also had the choice to work with a partner. If they chose this, they know they need to work together to get this done (Google Docs/Slides, go over each other's house, FaceTime, e-mail, etc.) BOTH students get the same grade and should present equally. This is the final "scheduled" presentation for Current Events for the year. The remainder will be done IN CLASS!
